

Evolution in Tennessee, 1925

- Traditional focus on creation
- Evolution ignored, no discussion allowed

But if someone starts doing evolution...

- Key question:
What is penalty?

- Scopes “monkey” trial, Dayton
 - Bad film: Chase the wind
 - Good book: Summer for the Gods

Evolution in Tennessee, 2008

- Traditional focus on creation
- Evolution ignored

- Key question:
What is penalty?

- Aim for evolution
with low penalty:

- Add metamodel concepts, relax rules
- Change concept names, extend semantics
- Mark concepts obsolete, don't delete
